PANAGEANEWS

This month we begin in the East. Starting in the Black Mountains outside the city of Grimhold, Hunter's Moon (Zraxxut worshipping LOOT Gnolls) defeated the fleeing Shadow Fire (Humans). Three weeks later Mariana (Lawful Terminator Humans) defeated Hunter's Moon in a close battle. Then the city of Flea Bite (Lo-kee worshipping CSA Lizara) was bombarded by Fedaykin (Lawful Terminator Humans).

In the region known as Kythos, outside the city of Lugburz, Kodan Raiders (Chaotic Kodan Raman Gnolls), Jack Wolves (Chaotic Kodan Raman Gnolls), and Black Dog (Chaotic Kodan Raman Gnolls) teamed up to defeat a retreating I.R.A. (Redeemer worshipping RPA Humans) in a series of close and hard fought battles.

In the Tarakeen Forest outside the city of Galandir, Urotsukidoji (Lo-kee worshipping CSA Humans) destroyed Chosen (Lawful Elves).

Moving to the Central region.... On the Isle Of Mist outside of Death's Grip Cove, Bloodguard (Lawful Terminator Humans) and Clan Thaxton (Lawful Terminator Humans) teamed up to defeat 1st Marine Corps (Shhvoon worshipping SWARM Humans).

On the isle of Mycenea outside the city of Mycene, Trekkers (Lawful Terminator Humans) destroyed Short Arm Of Chaos (Chaotic Kodan Raman Orcs) while Smasher (Lawful Terminator Humans) devastated the nearly defenseless Calm Seas (Shhvoon worshipping Lizara).

On the Isle Of Medes, Tsunami (Lawful Terminator Humans) destroyed 13th Medes Reserves (Chaotic Kodan Raman), and Saints (Lawful Terminator Humans) destroyed Elf Slayers (Chaotic LOOT Gnolls). Nearly two weeks later the fighting continued as Clan Thaxton (Lawful Terminator Humans) destroyed Stone People (Chaotic Kodan Raman Orcs) while Tsunami and Saints teamed up to smash the 38th Kodan Battalion.

Moving to the West.... In the region known as Aurumia, Foresters (Lawful Terminator Humans) destroyed the tiny Akari Kita (Lo-kee worshipping CSA Humans). Akari Kita might not even have been spotted had it not been for their numerous herds giving them away. Outside the Human City known as Alloy Kove, White Bear Regiment (Lawful Runeblades Elves) smashed Zanox (Chaotic CSA Humans). At about the same time Stormbringer (Lawful Runeblades Elves) and Fiery Facias (Lawful Runeblades Elves) teamed up to defeat a fleeing Moseby's Raiders (Chaotic Kodan Raman Goblins).

LORASIANEWS

We begin on the Agerian Plain where Red Maw (Lawful HARM Gnolls) destroyed Talismans Of Chaos (Chaotic ACE Orcs). More than a week later at the nearby Goblin city of Isengak, Graybeard's Raiders (Lawful Guardians of Destiny Dwarves) defeated Fareye Flyers (Chaotic ACE Gnolls) in heavy fighting.

In the Cambrian Range, Jaws Of Thirst (Lawful HARM Gnolls) defeated the rear guard of the fleeing Foresters (Lyredh worshipping Satyrs of the Akuda Combine) in a close battle. The Satyrs may have actually won the fight had they not chosen to flee the battle.

Two weeks later the fighting moved to Magdenheim, a city of Giants. In the opening engagement, Bloodnguts (Lo-kee worshipping Giants of the Akuda Combine) destroyed Gallifrey (Giants). The next day Foresters destroyed McWhinney's Other Eye (Lawful HARM Centaurs). Meanwhile 10th Virginia Inf (Chaotic Gnolls of the Akuda Combine), Bad Blood (Humans of the Akuda Combine), and Gesellschaft Narren (Lyredh worshipping Giants of the Akuda Combine) teamed up to destroy Niebelungen (Lawful Dwarves). At about the same time, Ratt Skinners (Shhvoon worshipping Goblins) defeated Talan Tarmenel (Lawful HARM Elves).

On the Nulean Plain, First Seekers (Lawful Elves) defeated a fleeing Hellcats (Trimorph worshipping Leomen) in a close battle. At Port Royale, Truth And Light (Lyredh worshipping Leomen) defeated the fleeing Ein (Trimorph worshipping Humans of the Crystalian Warriors). A week later Shadowmane (Lawful Centaurs of the Crystalian Warriors) defeated Truth And Light in a brutal combat. [Ed: Centaurs vs. Leomen? Cool!]

In the Kresh Mountains outside the Orc city of Morcresh, Rune Tusk Raiders (Chaotic Orcs) defeated Am I Evil? (Chaotic ROC Trolls). Though victorious, the Orcs no doubt earned the displeasure of their dark lords for attacking fellow Chaos worshippers.

PANAGEARUMORS

A great mustering has begun, legions are forming up, for whom will they fight?

I heard Xanthor got lost on the way back to camp from the sheep pens.

A man in a forest with a treasure. I like that.

The Kodan Raman has found a new ally. The Terminators tremble.

The New Blood strikes again. The world trembles.

LORASIA RUMORS

KIL has reappeared but it's a shadow of its old self.

The Crystalian Warriors are poised to strike... but strike what?

NWO: Just another word for dictators.

Woe be it to those that go to war and neglect Necromantic research and development.

HARM has been swallowed by the Maelstrom of Doom!

A Timelord has fallen!

The Akuda Combine has Lawfuls running scared.

The Terminators are abandoning their cities and fleeing as in times of old.... Wait a minute! The Terminators?

The Akuda Combine isn't what you think it is.

The Terminators and Tounatiuh's Torch both have two "t"ees. Coincidence? I think not!

LORASIA PLAYER NOTICE

To All Be It Known:

I am Saul, Minister of Truth nWo, as well as Leader of the Ark of the Covenant. We are a Human army and strongly believe in the Cosmic Balance as the real true power that governs Lorasias.

On arriving here a few years ago we shortly joined ICON, a good outfit. Sadly, we just didn't seem to "fit" in with their greater scheme of the world.

After leaving them we were alone. Not necessarily a bad thing. It would seem that through our negotiations in problem solving (the end of which is chronicled in CB 184), a new alliance popped up: nWo.

We are a better people today for becoming members of this young, new and powerful alliance.

If you are looking to join a hassle-free group, please consider us.

C#1817 Saul

Long Live The NEW WORLD ORDER

LORASIA PLAYER NOTICE

Seems to me that the WildCats learned their lesson on how not to go around and be jumping on armies that are smaller than them. Looks like they just all of a sudden dropped into the distinct zone. Kudos go off to all who were involved in their seeming demise, from your favorite Diplomat.

LORASIA PLAYER NOTICE

Let it be known, A#390 Truth and Light attacked an unarmed, peaceful merchant in the city sector of Port Royale. They will not live long enough to regret their mistake, but we should all remember that attacking merchants in cities comes with a dear price.
